AN CONTRACTOR

#### 1. What are Chakras

Chakes ian Indian Sanskit word that translates to mean "Wheel of Spinning Energy". Chakes are energy centers in the body that joy an important of en our physic, mental, and spintual welbeing. Chakes are found in everyone, even in animalat Undorstanding this mind-body energy system is assential for bocoming the most when healthy, and radiant version of yourself. They are spinning wheels or vortexes of energy of different colors that perform any functions connecting our energy fields. Dotarias and the Cosmic Energy Field.

that in turn regulates all of the body's tunctions including the ageing process. Energy flows from the Universal Energy Field through the chakras into the energy systems within our bodies, including the Meridian system. Our bodies contain 122 chakras and 7 major energy centers. These seven major
